8.

- (a) Unless otherwise determined by the Company according to section 60B(5) of the Law, all new shares and/or other securities giving right to the purchase of shares in the Company or which are convertible into shares of the Company, shall be offered before their issue to the Members on a pro-rata basis by reference to the participation of each Member in the capital of the Company, on a specific date fixed by the Board subject to what is provided in Regulation 8(d) below.
- (b) Any such offer under Regulation 8(a) shall be made upon written notice to all the Members specifying the number of the shares and/or other securities giving right to the purchase of shares in the Company or which are convertible into shares in the Company, which the Member is entitled to acquire and the time period (which shall not be less than fourteen days from the dispatch of the written notice) within which the offer, if not accepted, shall be deemed to have been rejected.
- (c) If, by the expiry of the time period in Regulation 8(b), no notification has been received from the Person to whom the offer is addressed, or to whom the rights have been assigned, that such Person accepts all or part of the offered shares or other securities giving right to the purchase of shares in the Company or which are convertible into shares of the Company (the "**Excess Shares**"), the Board may dispose of the Excess Shares in any manner that it deems most advantageous to the Company.
- (d) Notwithstanding anything contained in Regulations 8(a), (b) and (c) above, any offer of new shares of an existing particular class (the "**Relevant Class**"), or securities giving rights to the purchase of, or which are convertible into, shares of a Relevant Class shall first be made to the Members who are holders of the shares of the Relevant Class on a pro rata basis by reference to the participation of each such Member in the Relevant Class and, if any such shares or securities are not taken up in full by the Members who are holders of shares of the Relevant Class, an offer will be made to all Members holding shares of all other classes (the "**Other Classes**") on a similar pro rata basis by reference to the participation of each such Member in the Other Classes to purchase such shares or securities which have not been taken up.

- (e) The provisions of Regulation 8(b) shall apply mutatis mutandis to any offer of shares or securities of the Relevant Class under Regulation 8(d) to the holders of the Relevant Class and, subsequently, the Other Classes (as the case may be) and Regulation 8(c) shall only apply to an offer of shares or securities of the Relevant Class under Regulation 8(d) after the expiry of the time period for the offer made to the holders of the shares of the Other Classes.
 - (f) The Company may, in like manner, dispose of any such new or original shares or securities as aforesaid, which, by reason of the proportion borne by them to the number of Persons entitled to such offer as aforesaid or by reason of any other difficulty in apportioning the same, cannot in the opinion of the Company be conveniently offered in the manner hereinbefore provided.
 - (g) This Regulation 8 shall only take effect in cases where the proposed shares or securities shall be issued against contributions in cash and shall not apply in the cases where the proposed shares or securities shall be issued against contributions in kind.
9. Without prejudice to any special rights previously conferred on the holders of any existing shares or class of shares, any shares in the Company may be issued with such preferred, deferred or other special rights or with such restrictions, whether in regard to dividend, voting, return of capital or otherwise, as the Company, by Special Resolution, may from time to time determine.
10. Subject to the provisions of section 57 of the Law, any preference shares may, with the sanction of an Ordinary Resolution, be issued on the terms that they are, or at the option of the Company are liable to be redeemed on such terms and in such manner as the Company before the issue of the shares, may by Special Resolution determine.
11. Subject to Regulation 79B, if at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of shares of that class) may, whether or not the Company is being wound up, be varied with the sanction of a resolution passed at a separate general meeting of the holders of the shares of the relevant class, as well as with the sanction of a Special Resolution of the General Meeting. Subject to the Law, to every such separate general meeting the provisions of these Regulations relating to General Meetings shall apply, but so that: (a) the necessary quorum shall be two (2) Persons at least holding or representing by proxy one-third (1/3) of the issued shares of the class, (b) any holder of shares of the class present in person or by proxy may demand a poll, (c) if at any previously adjourned general meeting of these holders there is no quorum, the Members present shall be deemed to form a quorum and (d) the resolution sanctioning the variation will be deemed to have been passed by a seventy five (75) per cent vote of the holders of the shares of the relevant class.
- 11A. Notwithstanding any other provision in these Regulations, in the event that there are only class B shares in issue, all or part of them may be converted into class A shares in connection with the initial Listing by a unanimous resolution of all the holders of the class B shares which will also designate which of the class B shares will be so converted.
12. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not (unless otherwise expressly provided by the terms of issue of the shares of that class) be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.
13. The Company may exercise the powers of paying commissions conferred by section 52 of the Law, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the said section and the rate of the commission shall not exceed the rate of ten (10) per cent of the price at which the shares in respect whereof the same is paid are issued or an amount equal to ten (10) per cent of such price (as the case may be). Such commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other. The Company may also on any issue of shares pay such brokerage as may be lawful.

14. Except as required by Law, no Person shall be recognised by the Company as holding any shares upon trust, and the Company shall not be bound by or compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Regulations or by law otherwise provided) any other rights in respect of any share, except the absolute right to the entirety thereof of the registered holder.
15. Notwithstanding the above, but always subject to the provisions of section 112 of the Law, the Company may, if it so wishes and if notified accordingly in writing, recognise the existence of a trust in respect of any share even though it cannot register it in the Company's register of Members. This recognition may be given by the Company by means of a letter to the trustees and is irrevocable provided the relevant trust continues to exist, even if the trustees or some of them are replaced.
16. The Company shall keep a register of Members and a directory of Members under sections 105 and 106 of the Law, which shall be available for inspection by the Members free of charge and by any third party upon the payment of an amount determined by the Board.
17. The register of Members of the Company may be held either in paper or electronic form. Every Person whose name is entered as a Member in the register of Members shall be entitled without payment to receive within two months after allotment or lodgment of transfer (or within such other period as the conditions of issue shall provide) one certificate for all his shares or several certificates each for one or more of his shares. Every certificate shall be issued under Seal and shall specify the shares to which it relates and the amount paid up thereon. Provided that in respect of a share or shares held jointly by several Persons the Company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders. If a share certificate is defaced, lost or destroyed, it may be substituted on such terms (if any) as to evidence and indemnity and the payment of out-of-pocket expenses of the Company for investigating the evidence adduced as the Board thinks fit.
18. The Company shall not provide any financial assistance for the purpose of or in connection with a purchase or subscription made or to be made by any Person of or for any shares in the Company or in its holding company except to the extent permitted by the Law.

LIEN

19. The Company shall have a first and paramount lien on every share for all moneys (whether presently payable or not) due on such shares called or payable at a fixed time in respect of that share and the Company shall also have a first and paramount lien on all shares standing registered in the name of a single Person for all moneys presently payable by him or his estate to the Company; but the Board may at any time declare any share to be wholly or in part exempt from the provisions of this Regulation. The Company's lien, if any, on a share shall extend to all dividends payable thereon as well as to any other rights or benefits attached thereto.
20. The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien, but no sale shall be made unless a sum in respect of which the lien exists is due and payable or until the expiration of fourteen days (14) after a notice in writing, stating and demanding payment of the whole of the amount in respect of which the lien exists as is due and payable, has been given to the registered holder for the time being of the share, or the Person entitled thereto by reason of his death or bankruptcy.

21. To give effect to any such sale, the Board may authorise a Person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer, and he shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
22. The proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue, if any, shall (subject to a like lien for sums not presently payable as existed upon the shares before the sale) be paid to the Person entitled to the shares at the date of the sale.

CALLS ON SHARES

23. The Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times, and each Member shall (subject to receiving at least fourteen (14) days' notice specifying the time or times and place of payment) pay to the Company, at the time or times and place so specified, the amount called on his shares. A call may be revoked or postponed as the Board may determine and the Members shall be accordingly notified.
24. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid by instalments.
25. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.
26. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate not exceeding five (5) per cent per annum as the Board may determine, but the Board shall be at liberty to waive payment of such interest wholly or in part.
27. Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall for the purposes of these Regulations be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In case of non-payment all relevant provisions of these Regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified. The Board may on the issue of shares, differentiate between the holders as to the number of calls, the amount of calls to be paid and the times of payment.
28. The Board may, if it thinks fit, receive from any Member willing to advance the same, all or any part of the moneys uncalled and unpaid upon any shares held by him and upon all or any of the moneys so advanced may (until the same would, but for such advance, become payable) pay interest at such rate not exceeding (unless the Company in General Meeting shall otherwise direct) five (5) per cent per annum, as may be agreed upon between the Board and the Member paying such sum in advance.

TRANSFER OF SHARES

29. For so long as class A shares are in issue and are outstanding, class A shares are only transferable in accordance with the provisions in Regulations 37 to 39 and subject to the provisions in Regulations 31 to 36 below.
30. Class B shares are freely transferable subject to the provisions in Regulations 31 to 36 below.

31. The instrument of transfer of any share shall be executed by or on behalf of the transferor and transferee, and the transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of Members in respect thereof.
32. Subject to such of the restrictions of these Regulations as may be applicable, any Member may transfer all or any of his shares by instrument in writing in any usual or common form or any other form which the Board may approve.
33. The Board may decline to register the transfer of a share on which the Company has a lien.
34. The Board may also decline to recognize any instrument of transfer unless:
 - (a) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require, to show the right of the transferor to make the transfer; and
 - (b) the instrument of transfer is in respect of only one class of shares.
35.
 - (a) If the Board refuses to register a transfer it shall, within two months after the date on which the instrument of transfer was lodged with the Company, send to the transferee notice of the refusal.
 - (b) The registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine, provided always that such registration shall not be suspended for more than thirty (30) days in any year.
36. The Company shall be entitled to charge a fee, which the Board may specify from time to time, on the registration of every probate, letters of administration, certificate of death or marriage, power of attorney or other instrument.
37. For so long as class A shares are in issue and are outstanding, there shall be no conversion of a Member's class A shares into class B shares in the event of:
 - (a) a transfer of class A shares by that Member to one or more of its directly or indirectly controlled Affiliates; or
 - (b) a transfer of ten (10) per cent or more of the total number of class A shares in issue, as a single transaction or a series of related transactions, by a Member (or a group of Members) other than as provided in this Regulation;
 - (c) a transfer of class A shares by that Member to one or more Members holding class A shares; or
 - (d) a transfer of class A shares by that Member to the Founder or Founders.
38. For so long as class A shares are in issue and are outstanding, any transfer of class A shares in issue, as referred to in Regulation 37 (b) can only take place if:
 - (a) it is approved in writing by the Members holding in aggregate at least seventy five (75) per cent of the total number of class A shares in issue, including class A shares held by the transferring Member; or
 - (b) the Member (or a group of Members) transferring class A shares has (or have) offered such shares to the other then existing Members holding class A shares, and the respective transfer is permitted, in accordance with the procedure set out in Regulation 39 below.

39. For so long as class A shares are in issue and are outstanding and subject to Regulation 38 above no Member will transfer any of its class A shares unless the foregoing procedures of this Regulation 39 have been observed:
- (a) before any Member (the “**Selling Shareholder**”) transfers any of its class A shares, it shall give notice in writing (the “**Transfer Notice**”) to the Company of its desire to do so specifying the number of class A shares proposed to be transferred (“**Offered Shares**”), the price per each of the Offered Shares (the “**Prescribed Price**”), the name of the proposed transferee (the “**Proposed Transferee**”) and its business and any other material terms pertaining to the transfer to the Proposed Transferee as well as constituting the Company as the Selling Shareholder’s agent to offer to sell to the other Members holding class A shares (the “**Offerees**”) the Offered Shares in accordance with Regulation 39(b). The Transfer Notice shall not be withdrawn except as provided in Regulation 39(g).
 - (b) Within five (5) Business Days following receipt of the Transfer Notice (the “**Offer Date**”), the Company shall by written notice offer the Offered Shares to the Offerees at the Prescribed Price. Each Offeree shall have the right to accept some or all of the Offered Shares by written notice to the Company within twenty (20) Business Days from the Offer Date (the “**Acceptance Period**”). If more than one Offeree accepts some or all of the Offered Shares, these will be allocated in proportion, as near as is possible, to the proportion of the class A shares held by such Offerees provided that no Offeree shall be obliged to take a higher number of class A shares than it has offered to take.
 - (c) Not later than five (5) Business Days following the end of the Acceptance Period (the “**Allocation Date**”) the Company shall give written notice (the “**Allocation Notice**”) to the Selling Shareholder and to all the Offerees stating one of the following:
 - (i) that no Offeree has accepted to purchase any of the Offered Shares, or that the acceptances received are for less than all the Offered Shares (in which case such acceptances shall be invalid and shall be deemed to have never been made) and that the provisions of Regulation 39(d) will apply; or
 - (ii) that one or more of the Offerees have accepted to purchase the Offered Shares, giving the name and address of each such Offeree and the number of Offered Shares to be purchased by each of them, being in accordance with the provisions of Regulation 39(e).
 - (d) If Regulation 39(c)(i) applies, the Selling Shareholder may within ten (10) Business Days of the Allocation Date proceed with the transfer to the Proposed Transferee at a price not lower than the Prescribed Price and on the same terms as set out in the Transfer Notice.
 - (e) If Regulation 39(c)(ii) applies, the accepting Offeree(s) shall be bound to pay the Prescribed Price to the Selling Shareholder and the Selling Shareholder shall be bound on payment of the Prescribed Price to transfer the shares in question to the accepting Offeree(s), each sale and purchase to be completed at the registered office of the Company on the first Business Day after the expiry of ten (10) Business Days from the Allocation Date.

- (f) If the Selling Shareholder defaults in transferring the Offered Shares pursuant to Regulation 39(e), then, without prejudice to any other rights of the Offeree(s), the following provisions shall apply:
- (i) the Company may receive the purchase money for the Offered Shares and the defaulting Selling Shareholder shall be deemed to have appointed any Director or the Secretary as the Selling Shareholder's attorney, in accordance with Regulation 39 (b), to execute a transfer of the Offered Shares in favour of the relevant Offeree(s) and to receive the purchase money in trust for the Selling Shareholder;
 - (ii) the receipt by the Company of the purchase money shall be a good discharge of the relevant Offeree(s) and the entry in the register of Members of the name of the said Offeree(s) shall constitute conclusive evidence that the transfer has been validly completed; and
 - (iii) the Selling Shareholder shall be bound to deliver up any share certificate to the Company in respect of the Offered Shares and upon such delivery as well as delivery of any documents which the Company may require in order to indicate the Selling Shareholder's acknowledgement of the validity of the transfer of the Offered Shares to the relevant Offeree(s) hereunder, shall be entitled to receive the purchase price without interest. If such share certificate comprises any shares which the Selling Shareholder has not become bound to transfer, the Company shall issue to the Selling Shareholder a share certificate for the balance of those shares.
- (g) If one or more Offerees (the "**Defaulting Offerees**") fail to complete the purchase of the Offered Shares under Regulation 39 (e) (the "**Defaulted Offered Shares**") in accordance with the terms of an Allocation Notice, then, without prejudice to any other rights of the Selling Shareholder, the Defaulting Offered Shares shall be offered to all other Offerees and the provisions of Regulations 39 (a)—39 (f), shall apply to such Defaulting Offered Shares. In case all the Defaulting Offered Shares are not purchased by the other Offerees for any reason the Selling Shareholder:
- (i) shall be deemed to have validly and lawfully cancelled the Company's authority to sell the Defaulted Offered Shares to such Offeree(s); and
 - (ii) may, before the expiration of thirty (30) Business Days after the Allocation Date, select by notice in writing to the Company to transfer the Defaulted Offered Shares to any person at a price not lower than the Prescribed Price and on terms not more favourable than those offered to the Offerees. If the Selling Shareholder does not send a notice to the Company as aforesaid or if the transfer is not completed within five (5) Business Days from such a notice being sent then the Selling Shareholder shall not be permitted to make the transfer without again complying with all of the provisions of this Regulation 39 (g).

39A. Any costs incurred by the Company in relation to a sale of class A shares pursuant to Regulation 39 shall be paid by the Selling Shareholder, Proposed Transferee, Offeree or Defaulting Offeree, as the case may be.

39B. All restrictions on the transfer of class A shares which are set out herein and particularly in Regulations 38, 39 and 39A shall only apply in the event that both of the following conditions set out below are satisfied:

- (a) none of the class A shares or depositary receipts representing such shares are listed on any Exchange; and
- (b) in the event that any class of shares in the Company or any depositary receipts representing such class of shares, other than class A shares, are listed on any Exchange, the rules of such Exchange do not prohibit the restrictions on the transfer of class A shares as set out in the present Regulations.

In the event that, at any time, any restrictions on the transfer of class A shares contravene the Law, then such restrictions shall not apply.

In the event that, after the listing of any class of shares in the Company or any depositary receipts representing such class of shares, other than class A shares, on any Exchange, such shares or depositary receipts representing such shares cease to be listed on any Exchange, all restrictions on the transfer of the class A shares which are set out herein and particularly in Regulations 38, 39 and 39A shall immediately cease to apply.

TRANSMISSION OF SHARES BY REASON OF DEATH OR BANKRUPTCY OR LIQUIDATION OR MERGER OR SIMILAR EVENT

- 40. In the event of the death of a Member who owns any shares jointly with other Persons, the survivor or survivors where the deceased was a joint holder, shall be the only Persons recognized by the Company as having any title to his interest in the shares. Nothing herein contained, however, shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other Persons.
- 41. Subject to Regulations 6(b) and 37 above, in the event of the death, bankruptcy, liquidation, merger or other similar event with respect to a Member, the legal representative of the Member who has died, been declared bankrupt, been liquidated, merged or is the object of a similar event, is entitled, if he adduces the necessary supporting evidence to be registered as the owner of the shares held by the said Member. Further, the above legal representative has the right to nominate another Person to be registered as the transferee thereof.
- 42. In the event the legal representative nominates another Person to be the transferee of the relevant shares, he is under an obligation to disclose his above decision by carrying out all actions necessary for the contractual transfer of the relevant shares in favour of the Person who has been so nominated. In this case, all the limitations, restrictions and provisions of these Regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy or liquidation or merger or similar event with respect to the Member had not occurred and the notice or transfer was part of the process of a contractual transfer signed by that Member.
- 43. Any legal representative entitled with a right over shares by reason of death or bankruptcy or liquidation or merger or similar event with respect to the holder shall be entitled to the same dividends and other benefits to which he would be entitled if he were the registered holder of the relevant shares, except that he shall not, before being registered as a Member in respect of the said shares, be entitled in respect of them to exercise any right conferred by virtue of being a Member in relation to General Meetings. Provided always that the Board may, at any time give notice requiring any such Person to elect, the latest within ninety (90) days either to be registered himself or to transfer the relevant shares. In case the notice is not complied with within ninety (90) days from the day when it was given, the Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

FORFEITURE OF SHARES

44. If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
45. The notice shall name a further day (not earlier than the expiration of fourteen (14) days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed, the shares in respect of which the call was made will be liable to be forfeited.
46. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.
47. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit, and at any time before a sale or disposition, the forfeiture may be cancelled on such terms as the Board thinks fit.
48. A Person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares.
49. A statutory declaration in writing, that the declarant is a Director or the Secretary, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all Persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the Person to whom the share is sold or disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
50. The provisions of these Regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the shares or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

ALTERATION OF CAPITAL

51. Subject to section 59A of the Law and Regulation 79A, the Company may from time to time by Ordinary Resolution increase the share capital by such sum, to be divided into shares of such amount, as the said resolution shall prescribe.
52. The Company may:
 - (a) subject to section 59A of the Law and Regulation 79A, by resolution of the General Meeting:

- (1) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
 - (2) subdivide its existing shares, or any of them, into shares of smaller amount than is fixed by the memorandum of association subject, nevertheless, to the provisions of section 60(1)(d) of the Law; and
 - (3) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any Person; and
- (b) by Special Resolution:
- (1) subject to Regulation 79B, reduce its share capital, any capital redemption reserve fund or any share premium account in any manner and with, and subject to, any incident authorised, and consent required, by law; and
 - (2) subject to Regulation 79B and the provisions of the Law, purchase its own shares.

GENERAL MEETINGS

53. The Company shall in each year hold a General Meeting as its Annual General Meeting in addition to any other General Meetings in that year, and shall specify the General Meeting as such in the notices calling it, and not more than fifteen (15) months shall elapse between the date of one Annual General Meeting and that of the next. Provided that so long as the Company holds its first Annual General Meeting within eighteen (18) months of its incorporation, it need not hold it in the year of its incorporation or in the following year. The Annual General Meeting shall be held at such time and place as the Board shall appoint.
54. All General Meetings other than Annual General Meetings shall be called "Extraordinary General Meetings".
- (a) The Board may, whenever it thinks fit, convene an Extraordinary General Meeting.
 - (b) An Extraordinary General Meeting shall also be convened by the Board upon requisition of Members of the Company holding, in aggregate, at the date of the deposit of the requisition either (a) not less than ten (10) per cent of the outstanding share capital of the Company or (b) not less than ten (10) per cent of the voting rights attached to the issued shares of the Company.
 - (1) The requisition notice must state the objects of the meeting, be signed by each of the requisitioning Members and deposited at the registered office of the Company. Any such requisition notice may consist of several documents (including facsimile copies) in the like form each signed by one or more of the requisitioning Members or their attorneys, and signature in the case of a corporate body which is a requisitioning Member shall be sufficient if made by a director or other authorised officer thereof or its duly appointed attorney.
 - (2) If the Board does not, within twenty one (21) days from the date of the deposit of the requisition notice, proceed to duly convene an Extraordinary General Meeting, the requisitioning Members, or any of them representing more than one half of the total voting rights of all of them, may themselves convene an Extraordinary General Meeting, but any meeting so convened may not be held after the expiration of three (3) months from the date that is twenty-one (21) days from the date of the deposit of the requisition notice.

NOTICE OF GENERAL MEETINGS

55. An Annual General Meeting and a General Meeting called for the passing of a Special Resolution or for the election of Directors shall be called by at least a forty five (45) days' notice in writing. Any other General Meeting shall, subject to complying with section 127 of the Law, be called by at least a thirty (30) days' notice in writing. The notice shall be served within five (5) days after the record date as determined pursuant to this Regulation and shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the date and the hour of the General Meeting as well as the agenda of the General Meeting and, in case of special business, the general nature of that business and shall be given to such Persons as are, under these Regulations, entitled to receive such notices from the Company in a manner hereinafter mentioned or in such other manner, if any, as may be prescribed by the General Meetings.

The Board may fix any date that is not more than sixty (60) days and not less than forty five (45) days prior to an Annual General Meeting and a General Meeting called for the passing of a Special Resolution or for the election of Directors and not more than forty five (45) days and not less than thirty (30) days prior to any other General Meeting as the record date for determining the Members entitled to receive notice of and attend and vote at such General Meeting.

A General Meeting may be held via a conference call or other means whereby Persons present may simultaneously hear and be heard by all the other Persons present and the Persons who participate in such a manner are considered to be present at the General Meeting. In such case the meeting shall be deemed to have taken place where the secretary of the General Meeting is situated.

Provided that a General Meeting shall, notwithstanding that it is called by shorter notice than that specified in this Regulation, provided this is allowed by Law, be deemed to have been duly called if it is so agreed:

- (a) in the case of a General Meeting called as the Annual General Meeting and a General Meeting called for the passing of a Special Resolution or for the election of Directors, by all the Members entitled to attend and vote thereat; and
 - (b) in the case of any other General Meeting, by majority in number of the Members having a right to attend and vote thereat, being a majority together holding not less than ninety five (95) per cent in nominal value of the shares giving that right.
56. The accidental omission to give notice of a General Meeting to, or the non-receipt of such a notice by, any Person entitled to receive such notice, shall invalidate the proceedings at that General Meeting, in the event that a Member holding not less than five (5) per cent of the outstanding share capital of the Company is not in attendance at that General Meeting as a result of the accidental omission or non-receipt.

PROCEEDINGS AT GENERAL MEETINGS

58. No business shall be transacted at any General Meeting unless a quorum of Members is present at the time when the General Meeting proceeds to business. Save as herein otherwise provided, fifty and one hundredth (50.01) per cent of the voting rights attached to the issued shares of the Company present in person or by proxy shall form a quorum.

59. If within one hour from the time appointed for the General Meeting a quorum is not present, the General Meeting, if convened upon the requisition of Members, shall be dissolved; in any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Board may determine, and if at the adjourned General Meeting a quorum is not present within one hour from the time appointed for the General Meeting, the Members present shall be a quorum.

The demand for a poll may be withdrawn.

65. Except as provided in Regulation 67, if a poll is duly demanded, it shall be taken in such manner as the chairman directs, and the result of the poll shall be deemed to be the resolution of the General Meeting at which the poll was demanded.

FOOTNOTES

* Does not include purchases made through an employee benefit plan.

(1) “**item of value**” includes, but is not limited to, any:

- (i) Financial consulting and advisory fees, whether in the form of cash, securities, or any other item of value;
- (ii) Common or preferred stock, options, warrants, and other equity securities, including debt securities convertible to or exchangeable for equity securities, received:
 - (a) for acting as private placement agent for the **issuer**;
 - (b) for providing or arranging a loan, credit facility, merger or acquisition services, or any other service for the **issuer**;
 - (c) as an investment in a private placement made by the issuer; or
 - (d) at the time of the public offering;
- (iii) Any right of first refusal provided to any **participating member** to underwrite or participate in future public offerings, private placements or other financings, which will have a compensation value of 1% of the offering proceeds or that dollar amount contractually agreed to by the issuer and underwriter to waive or terminate the right of first refusal;
- (iv) Compensation to be received by the **underwriter and related persons** or by any person nominated by the underwriter as an advisor to the issuer’s board of directors in excess of that received by other members of the board of directors; and
- (v) Commissions, expense reimbursements, or other compensation to be received by the **underwriter and related persons** as a result of the exercise or conversion, within twelve months following the effective date of the offering, of warrants, options, convertible securities, or similar securities distributed as part of the public offering.

(2) The term “**underwriter or related persons**” includes, with respect to a proposed offering, underwriters, underwriters’ counsel, financial consultants and advisors, finders, members of the selling or distribution group, any “member” participating in the public offering and any and all other persons associated with or related to, and members of the Immediate Family of, any such persons. “Immediate Family” means parents, mother-in-law, father-in-law, husband or wife, brother or sister, brother-in-law or sister-in-law, son-in-law or daughter-in-law, and children, or any person who is supported directly or indirectly, to a material extent, by an employee of or person associated with a member.

(3) FINRA defines a “**member**” as being any individual, partnership, corporation or other legal entity that is a broker or dealer admitted to membership in FINRA.

(4) FINRA defines a “**person associated with a member**” or “**associated person of a member**” as being every sole proprietor, general or limited partner, officer, director or branch manager of any member, or any natural person occupying a similar status or performing similar functions, or any natural person engaged in the investment banking or securities business who is directly or indirectly controlling or controlled by such member (for example, any employee), whether any such person is registered or exempt from registration with FINRA. Thus, “person associated with a member” or “associated person of a member” includes a sole proprietor, general or limited partner, officer, director or branch manager of an organization of any kind (whether a corporation, partnership or other business entity) that itself is either a “member” or a “person associated with a member” or “associated person of a member.” In addition, an organization of any kind is a “person associated with a member” or “associated person of a member” if its sole proprietor or any one of its general limited partners, officers, directors or branch managers is a “**member**,” “**person associated with a member**” or “**associated person of a member**.”

- (5) The term “**Issuer**” means the Company, any selling securityholder, any affiliate of the Company or any selling securityholder, and the officers, directors, general partners, employees and securityholders thereof.
- (6) You “**own**” a security if you directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, have or share a direct or indirect pecuniary interest in the security. You have a pecuniary interest in a security if you have the opportunity, directly or indirectly, to profit or share in any profit derived from a transaction in such security. You may have an indirect pecuniary interest in a security and should include such security in your ownership disclosure if (a) such security is held by a member of your Immediate Family sharing the same household or (b) you have an interest in a trust holding such security. If you are a partner of a general or limited partnership holding a security, you should include your proportionate interest in such security in your ownership disclosure.
- (7) The term “**material relationship**” has not been defined by the Securities Exchange Commission. However, the Commission likely will construe as a “material relationship” any relationship which tends to prevent arm’s-length bargaining in dealing with a company, whether arising from a close business connection or family relationship, a relationship of control or otherwise. You should conclude that you have a relationship, for example, with any organization of which you own, directly or indirectly, 10% or more of the outstanding voting stock, or in which you have some other substantial interest, and with any person or organization with whom you have, or with whom any relative or spouse (or any other person or organization as to which you have any of the foregoing other relationships) has, a contractual relationship.

- transactions involving any person whose assets are frozen by the U.S. Government under legal authorities dealing with terrorism or the proliferation of weapons of mass destruction (that is, persons named on the OFAC list).
